

CO-Wholesaler Introduction Email Template

Hey [Insert Wholesaler's First Name],

This is [Insert Your First Name] from [Insert Your Company Name] and I just ran across your site. I invest pretty much nationwide, wherever I can find a good deal to flip, and I would like to get on your buyers list as I am now doing deals in [Insert Location].

Also, if one of your properties doesn't work for me, do you mind if I pass it along to a few of my partners and other investors I have worked with in the past?

If they show any interest, we can work on it from there.

Thanks and look forward to possibly doing some deals together here soon.
